

Advanstar Printed Collateral Price Book

Contained in this book are updated pages for the Printed Collateral Price Book

NOTE: THESE PRICES ARE CONFIDENTIAL, THEY SHOULD NEVER BE SHARED WITH ANYONE BUT ADVANSTAR EMPLOYEES. Prices from the various printers are listed to give you an easy way to compare prices. These vendors were selected in order for us to leverage our business, and obtain the best possible price, service, quality and turn-around.

Duluth Manufacturing Services provides assistance with the production of a wide variety of printed collateral. They can help you coordinate print production of any promotional piece. They can also assist you with all of your stationery needs, circulation orders and reprints.

The services include providing you with competitive quotes, trouble shooting of files prior to ordering proofs, selection of paper stock, coordinating shipping methods and quality control to ensure a quality product in a timely manner. See the contact list for each area and the corresponding contact person.
