SOP for Other Magazines (Pharma, Dental, License, Automotive)

- PM will place the Work order along with supportive files in Censhare (Avoid sending emails to designer and Premedia).
- If there is any revision in Work order, PM can revise the workorder in Censhare and assign it to Premedia.
- Premedia Optimize the pdfs, drop into server (//10.52.4.113/CH-MPE-ACEProduction/CREATIVE_PREMEDIA/PREMEDIA_DOCS/PREMEDIA_TEMP/_ezine) and send email to digital edition group (SLA-24 hours from issue shipped to printer), (Irfan to prepare SOP to create digital edition PDFs).
- Digital team upload digital edition PDFs into respective preflight CDS (Refer Pixelmag guide pdf).
- Digital team email to pixelmag publisher (Caydee/Lauren) to publish the magazine to the respective app (Refer Pixelmag guide pdf).
- Pixelmag publisher will publish the magazine and will send an iframe link to Our team.
- Our team creates web link to review in web reader and will inform to print Designer.
